## Calendar of Events

## Welcome to Mackin Yard

Mackin yard is the home of the Majors - the division that people think about when they hear the words Little League. All of the Major A division games are played here as well as most of the Major B division games. The remainder of the Major B games will be held at Mackin East, the lower diamond across from Canadian Tire. A facility as fine as Mackin requires many volunteers to make it happen - people besides coaches and managers.

### Expectations

The baseball played in the Majors division is the premier level for that age group. This is the age where players can compete for the opportunity to play in the Little League World Series. Therefore, players are expected to make all practices and games a priority and attend all scheduled sessions as you would with rep hockey or gold soccer.

At both the Major A and Major B level the number of games and length of the season will be the same. And along with regular season games teams from both divisions will be involved in hosting our legendary Mackin yard invitational in May, where we showcase our teams in a tournament involving other teams from all over the Lower Mainland.

### Parental Responsibilities

Every game at Mackin requires a scorekeeper, a pitch counter, a public address announcer, 2 pre-game field maintenance people, 2 concession workers, and 2 people for post-game field maintenance. The parents of the kids on the two teams that are playing that game are needed to fill all these roles. As the parent of a Major A or B player, you will be playing at Mackin in both visitor and home capacity. It is expected that all parents will pitch in and help. In some and often all cases one parent will be part of the Coaching staff. In those instances it is expected that the other parent will do his or her share of helping out. Please address your team parents and let them know they will be required to help out on game day!

### Concession Accountability

One of our Major sources of revenue is the money that the concession brings in each year. We run the concession for our kids, to try and keep registration costs down. Keeping this in mind we ask that all food & beverages be paid for, even when working one of your assigned duties.

Concession Coordinator – Natasha Cook

### General info

Respect the young umpires that are working your games. Remember that they are also in the stages of learning something new! Intimidation will do nothing to foster their growth and confidence. Remember, that umpire may be your child in a couple of years. Cases of abuse to umpires that are brought before the board of directors will be dealt with "zero tolerance"

As per Coquitlam BYLAW NO. 3037 smoking is banned in all Coquitlam Parks.

## Parking

Watch where you park - we hate to see anyone get towed. There are "no parking" rules in effect on King Edward adjacent to Mackin - please have all parents/grandparents etc. watch posted signs before they park.

## Team Parent

What is a team parent?

The team parent takes care of the million little details that crop up off of the field, allowing your child's manager and coaches to concentrate on baseball.

### What are the responsibilities of a team parent?

- Assign duties for all games. One of the best ways to achieve this is to pre-assign each parent (manager and coaches excluded) to specific duties. When you send out the duty list be sure to include a list of Phone numbers for all the players/parents on the team. Explain to each parent that it is their responsibility to find their own replacement with any times/ duties that conflict.
- Help the coach in tracking attendance with bonze team app. All parents should install the app and note upcoming attendance at games. Emailing or calling players who have not indicated attendance will help out the coach with line-ups and fair play.
- You may act as an e-mail, telephone and bonzi liaison between the players and coaching staff, passing along messages on behalf of the coach and taking messages.
- Hand out and collect raffle tickets and money.
- Promote the pub night for parents. Get a prize ready for either the Silent Auction or the Raffle.
- Hand out picture forms.
- Help co-ordinate your team on picture day re: meeting places, times etc.
- Help your coach coordinate your team for both the Mid-season Classic and the Mackin Yard Invitational.
- You will probably be responsible for collecting money and buying the coaches a gift at the end of the season. Hard work should be rewarded.
- You may be expected to decide on what type of team party the team will have after the season.

Thank you for volunteering for this important job!

## Mackin Yard Duties

### Away team duties

#### Concession:

- Children under the age of 16 are not allowed in the concession
- At least two (2) people are required to run the concession.
- Open the concession at least 1/2 hour (earlier, if possible) prior to game
- Please leave the concession clean for the next team
- Allow time for team players to purchase items from concession after each game (approx. 15-20 minutes)
- Make sure the concession is locked after your game (if no other team is scheduled to follow you)
- All concession information is available in a binder in the concession

#### Field clean-up:

- Infield should be dragged and base paths raked (lengthwise)
- Pitcher's mound raked and tamped
- Bases and equipment put away
- Dugouts cleaned and locked up
- Batting cage locked

When playing on any other field at Mackin all of the duties remain the same but there are no announcer or concession workers required.

## Home team duties:

### Field preparation:

Setting up the field prior to the game

- Should be started 1 hour before the game
- Infield should be dragged
- Pitcher's mound & batter's box must be raked and tamped
- Rake the first & third base paths lengthwise from base to base - not across to prevent small rolls from building up
- Mark the 1st and 3rd baselines on field
- Put out the bat racks
- Unlock the dugouts

### Scorekeeper & pitch counter:

Scorekeepers should be at the field 30 minutes prior to game time in order to have score sheets filled out. **All score sheets must have date of game and all last names of players.** Official scorekeeper and pitch counter must remain in the score shack for the duration of the game. It is now the responsibility of the scorekeeper to keep track of the pitch count and pitcher eligibility. A second parent can be assigned to this task. Managers have been supplied with the appropriate paperwork in their manuals. Extras will also be available in the score shack and/or from the coordinator of your division.

### Announcer:

- Put out speakers
- Plays lively warm-up music
- Announces teams, managers/umpires just prior to the first pitch
- Announces batters as they come to the plate
- After each half inning, announces line scores and plays lively music
- Announces sponsors, 50/50 draw and winning number in bottom of 5<sup>th</sup> inning
- Stores speakers at the end of game
- Please refrain from yelling or cheering for players from the booth, and please remember that the PA announcer is not a play-by-play announcer or a colour commentator. Any such comments should be rare and limited to an outstanding play. Remember, less is more.

## Picture Day

Due to its huge success at Blue Mountain Park the last few years we will once again be holding out picture day at the "big diamond. Within the next month or so you will be receiving your picture order forms. When you receive your order forms, there will be a roster form supplied by the photographer. This must be filled out with your team's information prior to getting your pictures taken. On the picture form bundle, your team name and picture time will be listed (if you aren't sure, times are posted on the website).

Try to get there 10-15 minutes before to get the team together so that you are on time for your pictures. As soon as your team is together go to the picture area to have your team and individual pictures done. Volunteers will be around to help direct you to the picture area.

- Please note - Coquitlam Little League pays for a team and individual picture for each player - any additional pictures must be ordered & paid for using the picture order form. Each player will also receive a coupon that they can redeem for a free meal at the concession stand.

We are expecting some of the older teams will be playing on this day. This is a chance to get together as a team, have a hot dog or two and enjoy a great ball game.

## Karl Gosselin Classic

The 12/13 mid-season classic tournament is now into its 20<sup>th</sup> season. It was developed to allow the 12 year old players the chance to see what baseball will be like when they move up to Blue Mountain next year. By the end of the week-end, lead offs, and longer base paths are just a few of the new "skills" this year's 12 year olds will have to look forward to when they return to play in 2017 at the Junior level.

It has proven itself time and again to be a great week-end of Baseball, and it is expected that all the 12 &13 year olds will attend.

The 12 year olds play with the 13 year olds, following Junior rules (with specific pitching rules designed to not interfere with regular season rules). The players are coached by Coquitlam Little League's very own Senior and Big League players (age 15-18).

This tournament is a fun, developmental learning experience for all involved, from our players to the Coaches and the umpires.

Coaches & Team Parents - please talk the importance of this tournament up to all 12 and 13 year old players - they need to take part!

## Fundraising

### Why We Fundraise

As board members we'd like to explain why it is necessary to Fundraise during the regular season.

Our annual expenditures to run Coquitlam Little League vary from divisional equipment and uniforms, advertisement and registration costs, fees paid to Little League BC and Little League Canada, medals & trophies, insurance and medical coverage, & umpire fees, etc. The basic costs to operate the league run close to \$100,000.00 per year.

The above are basic operating costs that must be incurred before we are able to consider capital expenditures or any improvements to our facilities (including field and cage upgrades at Mackin & Blue Mountain).

Our general revenue that is brought in by registration costs alone usually nets us \$70-\$75,000.00. In order to keep the standards we have set and strive to maintain, the rest of our expenses have to be covered by fundraising, sponsorship and concession sales.

Every year the executive applies for, and has been fortunate in the past few years to receive gaming grants from the province, however this a venue is not a guarantee and the likelihood Of not receiving funding in any given year is always a possibility therefore, more than ever, this year is raffle is essential to maintaining the standards that Coquitlam Little League has set Please help our kids to continue to receive the benefits of past years and sell raffle tickets to everyone you know. We thank you in advance for helping us all to meet these commitments

## Founder's Day

This is the wrap-up to our regular season!

All teams from blastball up participate - so make sure that you arrive early - and have a designated place to meet your team. Parking is at a premium - so be prepared to park a bit away and walk to the park!

Any last minute raffle tickets must be handed in at this time!

All team players, coaches & managers will go onto the field to their designated team area parents - please watch from the bleachers or outside the fences.

Trophies are awarded; pictures and year-end commemoratives are distributed. The raffle prizes are drawn.

All players rookie and up should bring a change of clothes, as uniforms should be handed in that day. If you can collect them all now, it'll save a lot of headaches over the summer.

Often, teams find this a great opportunity to stick around the park somewhere and celebrate their year-end parties!

See you next year

## Post Season

The board of directors would like to take this opportunity to try and answer some of the questions that surround the structuring of Post Season play, the expectations of Little League on the post season, and exactly which opportunities are available for players and teams. There are many opportunities for post season all-star play for 9-12 year olds. Teams are structured as follows:

8 Year Old All Stars – District 3 Tournament

9 Year Old Selects - District 3 Tournament

9/10 Sanctioned – District 3, Provincial and Canadian Tournament

11 Year Old Selects - Invitational Tournament (Drew Henderson)

11/ 12 Selects (Minor) - District Tournament

11/ 12 Sanctioned – District 3, Provincials, Canadian, World Series Tourney

These teams are made of players selected through try-outs. The sanctioned teams are chosen first. Players that are chosen for the sanctioned team must adhere to this commitment and cannot chose to be placed on one of the other teams. Players must fulfill post season Little League commitments before they are allowed to play in any other tournament not directly associated with Little League.

**\*\*\*\*In order to compete in post season play, each player must have the required number of games in the official scorebooks. Please make sure your scorekeepers are scoring the games correctly and using first and last names!**

Each of these teams is required to partake in Little League Tournaments. The sanctioned teams have the opportunity to win their District tournaments, go on to Provincial and Canadian tournaments, and in the case of the 11/12 year old team, potentially compete at the World Series in Williamsport.

Only after all Little League commitments have been filled, are Teams welcome to pursue other tournaments, not directly associated with Little League. Managers of the post season all-star teams will be made aware of which opportunities are available at each division.

## Pitch count regulation

### Regular season

#### Regulation VI - pitchers:

(a) Any player on a regular season team may pitch. Exception: any player, who has played the position of catcher in four (4) or more innings in a game, is not eligible to pitch on that calendar day.

Note: the catcher receiving one pitch to a batter in the fourth inning constitutes having caught (4) innings. Warm-up pitches do not count, only when the ball is live will the pitches count toward innings caught.

(b) A pitcher once removed from the mound cannot return as a pitcher. Intermediate (50-70), Junior, Senior and Big League divisions only: a pitcher remaining on defense in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once per game.

(c) The manager must remove the pitcher when said pitcher reaches the limit for his/her age group as noted below, but the pitcher may remain in the game at another position:

#### League age

7-8	50 pitches per day
9-10	75 pitches per day
11-12	85 pitches per day
13-16	95 pitches per day
17-18	105 pitches per day

Exception: if a pitcher reaches the limit imposed in regulation VT (c) for his/her league age while facing

A batter, the pitcher may continue to pitch until any one of the following occurs:

1. That batter reaches base;
2. That batter is put out;
3. The third out is made to complete the half-inning.

Note: a pitcher who delivers 41 (forty-one) or more pitches in a game cannot play the position of catcher for the remainder of that day.

(1) Pitchers league age 14 and under must adhere to the following rest requirements:

If a player pitches 66 or more pitches in a day, four (4) calendar days of rest must be observed.

If a player pitches 51 - 65 pitches in a day, three (3) calendar days of rest must be observed.

If a player pitches 36 - 50 pitches in a day, two (2) calendar days of rest must be observed.

If a player pitches 21 - 35 pitches in a day, one (1) calendar day of rest must be observed.

If a player pitches 1 - 20 pitches in a day, no (0) calendar day of rest is required.

Pitchers league age 15 - 18 must adhere to the following rest requirements:

If a player pitches 76 or more pitches in a day, four (4) calendar days of rest must be observed.

If a player pitches 61 - 75 pitches in a day, three (3) calendar days of rest must be observed.

If a player pitches 46 - 60 pitches in a day, two (2) calendar days of rest must be observed.

If a player pitches 31 - 45 pitches in a day, one (1) calendar day of rest must be observed.

If a player pitches 1 ~ 30 pitches in a day, no (0) calendar day is required.

Exception: if a pitcher reaches a day(s) of rest threshold while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: (1) that batter reaches base; (2) that batter is retired; or (3) the third out is made to complete the half-inning. The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/ she reached during that at-bat, provided that pitcher is removed or the game is completed before delivering a pitch to another batter.

(e) Each league must designate the scorekeeper or another game official as the official pitch count recorder.

(t) The pitch count recorder must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, the manager is responsible for knowing when his/her pitcher must be removed.

(g) The official pitch count recorder should inform the umpire-in-chief when a pitcher has delivered his/her maximum limit of pitches for the game, as noted in regulation VI (c). The umpire-in-chief will inform the pitcher's manager that the pitcher must be removed in accordance with regulation VI (0). However, the failure by the pitch count recorder to notify the umpire-in-chief, and/or the failure of the umpire-in-chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.

(h) Violation of any section of this regulation can result in protest of the game in which it occurs. Protest shall be made in accordance with playing rule 4.19.

(j) A player who has attained the league age of twelve (12) is not eligible to pitch in the minor league. (See regulation v - selection of players).

(k) Pitching in more than one game in a day:

Minor league, Little League (Majors) and intermediate (50-70) division - a player may not pitch in more than one game in a day;

Junior league and Senior league.... A player may be used as a pitcher in up to two games in a day. (Exception: if the player pitches 31 or more pitches in the first game that player may not pitch in the second game that day);

Note: if a Junior or Senior league pitcher pitches in more than one game in a day, and has not pitched 31 or more pitches in the first game, the total number of pitches that pitcher may pitch in both games combined is the daily maximum of 95. Big League - a player may be used as a pitcher in up to two games in a day.

Notes:

1. The withdrawal of an ineligible pitcher after that pitcher is announced, or after a warm-up pitch is delivered, but before that player has pitched a ball to a batter, shall not be considered a violation. Little League officials are urged to take precautions to prevent protest. When a protest situation is imminent, the potential offender should be notified immediately.

Note: minor league and Little League (Majors): when warming up, if a pitcher is discovered to be ineligible, he/she must be removed and the previous pitcher of record may not return.

2. Pitches delivered in games declared “regulation tie games” or “suspended games” shall be charged against pitcher’s eligibility.

3. In suspended games resumed on another day, the pitchers of record at the time the game was halted may continue to pitch to the extent of their eligibility for that day, provided said pitcher has observed the required days of rest. Exception: in the event that the first inning is not completed, all records including pitching, batting records, etc. shall be disregarded.

Example 1: a league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on the following Thursday. The pitcher is not eligible to pitch in the resumption of the game because he/she has not observed the required three days of rest. Example 2: a league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on Saturday. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game because she/he has observed the required three days of rest.

Example 3: a league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes two weeks later. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game, provided he/ she is eligible based on his/her pitching record during the previous four days.

## **Tournament Rules for Pitch Count**

Pitchers:

Pitching rules - Little League baseball, 9-10 year old division, 10-11 year

Old division, intermediate (50-70) division and Junior league

These rules replace the regular season pitching regulations. Violation of these pitching rules is subject to

Protest and action by the tournament committee in Williamsport if protested or brought to the Tournament Committee’s attention.

A. Any player on a tournament team may pitch. Exception: any player, who has played the position of catcher in four (4) or more innings in a game, is not eligible to pitch on that calendar day.

B. A tournament pitcher may not pitch in regular season or special games while the team is still participating in the tournament.

C. Pitchers once removed from the mound may not return as pitchers. Intermediate (50-70), Junior League: a pitcher remaining in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once per game.

D. The manager must remove the pitcher when said pitcher reaches the limit for his/her age group as noted below, but the pitcher may remain in the game at another position;

League age:

13-14 95 pitches per day

11-12 85 pitches per day

9-10 75 pitches per day

Exception: if a pitcher reaches the limit imposed above for his/her league age while facing a batter, the pitcher may continue to pitch until any one of the following occurs: (1) that batter reaches base; (2) that batter is retired; (3) the third out is made to complete the half-inning or the game.

Note: a pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day.

E. Pitchers league age 14 and under must adhere to the following rest requirement:

If a player pitches 66 or more pitches in a day, four (4) calendar days of rest must be observed.

If a player pitches 51 - 65 pitches in a day, three (3) calendar days of rest must be observed.

If a player pitches 36 - 50 pitches in a day, two (2) calendar days of rest must be observed.

If a player pitches 21 - 35 pitches in a day, one (1) calendar day of rest must be observed.

If a player pitches 1 to 20 pitches in a day, no rest is required.

Exception: if a pitcher reaches 3 day(s) of rest threshold while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: (1) that batter reaches base; (2) that batter is retired; (3) the third out is made to complete the half-inning or the game. The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during that at-bat, provided that pitcher is removed or the game is completed before delivering a pitch to another batter.

A player cannot pitch in two games in a day.

(Exception: Junior league - if a player pitches in 30 or less pitches in the first game, that Player may pitch in the second game on that day);

In a game suspended by darkness, weather, or other causes, and resumed the following calendar day, the pitcher of record at the time the game was halted may continue to the extent of his/her eligibility, provided he/she delivered 40 or less pitches, and subject to each of these conditions:

1. If the pitcher delivered 20 or less pitches before the game was suspended, that pitcher's pitch count will begin at zero for the continuation portion of the game;
2. If the pitcher delivered between 21 and 40 pitches before the game was suspended, that p-pitcher's pitch count will begin with the number of pitches delivered in that game; In a game suspended by darkness, weather, or other causes and resumed more than one calendar day later, the provisions of (g.) Above shall apply, unless the pitcher of record pitched in another game or games after game was halted. In that event, eligibility to pitch in the continuation portion of a game shall be determined by the number of pitches delivered in the game or games after game a was halted.

Failure to remove a pitcher who has reached his/her maximum number of pitches required by League age or use of an ineligible pitcher is basis for protest. Violation protested or brought to the Tournament committee's attention, shall result (by action of the tournament committee) in the suspension of the team's manager for the next two scheduled tournament games, even if those games are played at the next tournament level. Additional penalties (up to and including forfeiture of a game and/or disqualification of the team, managers or coaches from further Tournament participation) may be imposed if, in the opinion of the tournament committee:

1. A manager or coach takes any action that results in making a travesty of the game,
2. A team fails to meet the requirements of this rule more than once during the International tournament, which begins with district play and ends at the World Series Level (state level for 9-10 and 10-11), or;
3. A manager wilfully and knowingly disregards the requirements of this rule.

A manager or coach suspended for any reason is not permitted to be at the game site and must not take any part in the game, nor have any communications whatsoever with any persons at the game site. This included pregame and postgame activities. Violation may result, by action of the Tournament committee, in further suspension, forfeiture of a game and/or disqualification of the Team, managers or coaches from further tournament participation.

\* "Threshold used for Days Rest": Per the EXCEPTIONS above, if a pitcher reaches a Day(s) of Rest threshold he/she can continue to pitch until the batter reaches base or the pitcher is exhausted. A is shown in the "Ex sample", the pitcher reached 65 pitches and continued to pitch to that batter until he/she made a 67 pitch. BUT, days rest is based on the 65 pitch threshold (3 days) not the > 65 pitch threshold (4 days).
